RE: Hancock Pool Services  
Letter of Endorsement

To Whom It May Concern:

I am happy to endorse Hancock Pool Service for any type of residential or commercial pool construction; including new construction, renovation and/or rehabilitation work. In addition to being a superior swimming pool/aquatics construction company, Hancock Pool Service is also very adept at design/build services.

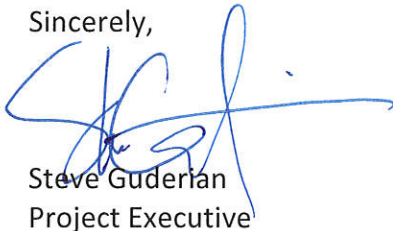

I had the pleasure of teaming up with Hancock Pools to design/build the swimming pool and associated water and play features at the Mark A. Chapman YMCA, at Katy Main Street and could not have had a better experience.

Hancock Pool Service met our rigorous safety standards, attention to detail and aggressive schedule that resulted in the facility opening two months ahead of schedule

Pat Hancock brings experience and knowledge to his field of expertise and performs at a high level, with professionalism and collaboration.

In closing, I would highly recommend Hancock Pool Services to anyone wanting a professional contractor that provides attention to detail, and look forward to the opportunity to work with them again.

Sincerely,

Steve Guderian  
Project Executive
